Dear Sirs

Floods and Clean Up

I should like to take this opportunity to thank you for the excellent work that you and colleagues undertook over the past few days in dealing with the clean-up operations, support for those involved and operations generally as a consequence of the floods in Appleby. I know how much your efforts will have been appreciated by the residents and business owners in the Town and indeed, those others from further afield including Government Ministers, who through the Permanent Secretary, have asked me to pass on their thanks to all those people who have helped in whatever way.

Thank you as well on behalf of the Council.

Yours sincerely

Robin Hooper
